

Career Services Information

Jennifer, Senior Director of Career Services

The career services team at Harrison College and The Chef's Academy guides you as you explore your career opportunities and choose the career field that is right for you.

As a part of the Harrison family, you will have access to employment assistance from enrollment to graduation and beyond. Our career services staff is available to assist you via in-person meetings, phone and email. The staff also offers group workshops, webinars and self-guided web resources, which are available to you 24/7 at Harrison.libguides.com/careerservices. Through our web resources, you can find information about:

- Career planning and exploration
- Interview and resume advice
- Internships and externships
- Job boards and search engines
- Company, industry and salary research
- Entrepreneurship and self-employment
- Professional associations

We look forward to supporting you as you begin your journey to a fulfilling future. Learn more details about our services below:

Interview Preparation

To ensure you feel confident when entering the job market, our staff offers guidance and tips on the do's and don'ts of interviewing and how to stand out when meeting with potential employers.

Career Exploration

Our career services team will help you discover occupations that may be the best fit for you based on your values and personality. They will also assist you in achieving your goals through career development planning.
